## Garcia Issues Statement on Legal Birth Definition Act

*Garcia calls from his National Guard training to issue statement*

LANSING – Senator Valde Garcia, R-Howell, today issued the following statement from Vermont, where he is holding training exercises for various National Guard units:

“Had I not been performing my National Guard duties, I would have supported Senate Bill 395 today in the Michigan State Senate. I support the issue, and would have voted yes on the legislation.”

SB 395 establishes that legal birth, when legal personhood and rights commence for a human being, is at the point at which any part of the live child has been delivered outside his or her mother’s body.

Senator Garcia is a Lieutenant Colonel in the Michigan National Guard. He has served in the military for twenty-two years.
